

SOCIAL RESPONSABILITY

QUINTA DO VALLADO

Maintaining the tradition of social concern that was always present in the Ferreira Family, namely the initiatives carried out by Dona Antónia Adelaide Ferreira in the 18th century, Quinta do Vallado has decided to give support to the Associação Via Nova, in Vila Real, who gives shelter and education to orphan and abandoned children.

For that purpose, 100 Portuguese personalities were invited to acquire two bottles of the wine 'Quinta do Vallado Adelaide 2005', the top wine from Quinta do Vallado; The proceeds from this sale will be given to *Associação Vila Nova*.

The wine Adelaide is produced with grapes exclusively from the oldest parcel in the property. It was produced for the first time in 2005 and to pay tribute to Dona Antónia. It is a unique wine, elegant, complex and with great concentration.
